SUMMARY

Hi, I'm Farros, I'm a front-end developer and I'm proficient in several programming languages and frameworks of several languages. I can create web and multiplatform applications. I'm also a good communicator which makes it easy for me to work in a group, but it doesn't cover the fact that I enjoy working independently or remotely.

EXPERIENCE

Teaching in Nurul I'tishom, Bekasi   **Feb 2024**
